

We are happy to announce The Siskiyou Field Institute is open for programming with resumed normal business hours of 9 AM - 4 PM Monday, Tuesday, Thursday, and Friday.

The health and safety of our community and staff is of utmost importance to us, especially now. The SFI is remaining vigilant with CDC and Oregon state guidelines for social distancing and re-opening protocols and will be operating with modifications during the Covid-19 pandemic.

Our Covid-19 Protocols are as follows:

- We ask any students or staff to remain home if they felt sick (fever, shortness of breath, coughing/sneezing) or were in direct contact with anyone with a confirmed Covid-19 case within 14 days of the class.
- All visitors on our property and in field classes must be registered for our contact tracing database (information will not be shared)
- There are limitations on lodging and building access
- Classes will be held in outdoor spaces with good ventilation
- Classes will be set up to allow physical distancing of 6ft
- Bring your own personal hand sanitizer. A handwashing station will be set up at the SFI. We encourage everyone to wash their hands upon arrival to our facilities, before entering buildings, after sneezing/coughing, and at frequent intervals.
- Please bring a face mask, we ask for masks to be worn properly during all field courses (please remember non-medical masks are to protect others).
- Please do not travel long distances to attend programming. This is to keep the spread to our rural community down.
- Plan to bring your own supplies for the day including food, beverages, water bottle, sunscreen, pencils, any materials the instructor requests, etc. Please do not share personal items with other students.
- There will be reasonable restrictions to building access
- Plan to drive your own vehicle to any destinations, SFI will not arrange carpooling
- Physical distancing of 6ft must be kept in field classes
- All equipment and surfaces will be sanitized after use

If you have any questions or concerns regarding Covid-19 and programming please contact: adventure@thesfi.org
